

Kalnin Leadership Center Chiang Mai, Thailand

**Help us FURNISH THE
RENNERT RESIDENCE HALL!**

**Serving Christian Missions
In Southeast Asia**

Mission Statement:

We seek to build strong Christians, strong churches, strong communities, by preaching the Gospel of Jesus Christ, providing training and education, improving community resources and creating sustainable development.

Our motto is "Do everything in the name of the Lord Jesus Christ."

Colossians 3:17

Frontier Labourers for Christ (FLC) has accomplished more than thirty years of ministry in southeast Asia. Recently completed, the **Rennert Residence Hall** is named in honor of the late Carl Rennert, first USA Board Chairman, for his great love and many years of service to the peoples of Thailand and Burma.

The 13.5 acre **Kalnin Leadership Center (KLC)** is used for hosting leadership and Bible seminars for pastors and evangelists, training the Barefoot Doctors (a twenty-year old medical and dental program) from Burma, running Christian seminars and English camps for youths, and hosting many other Christian conferences and retreats.

The plan is to offset the operating costs of the facility by renting it out occasionally to other Christian groups, businesses, and even wedding ceremonies.

We believe God will use KLC in mighty ways as we bring the **Rennert Residence Hall** in-line with the existing 11,500 square foot Ferraro Hall, a multi-purpose building with commercial kitchen, and the Jones Building, which has a small classroom space and overnight accommodations for thirty-five people.

The KLC campus is located in a beautiful and serene setting near Doi Saket, just 25 minutes from Chiang Mai, in northern Thailand.

Help us FURNISH THE RENNERT RESIDENCE HALL!

The **Rennert Residence Hall** on this campus was recently completed, but now we need to FURNISH it. There are forty guest rooms, each with a private bath, that need twin beds, wardrobes, desks, and chairs. Also needed are sheets, blankets, pillows, and towels.

There is also a lobby and upper commons area that need sofas, chairs, and bookcases; a classroom that needs study tables and video equipment; and a computer training room that needs computers and monitors. All rooms will require air conditioning to ward off the Thailand heat!

Can you help sponsor a room or some of the items listed? Our goal is to purchase these items in the next three months, and we need your support. Thank you in advance for considering a special gift each month. Donations in stock certificates will also be accepted. We will use these donations at KLC for God's Kingdom and Glory!

Rennert Residence Hall furnishing needs:

Guest room(s) (40):
